

C-TPAT Security Assessment

C-TPAT. (Customs-trade Partnership Against Terrorism) is a voluntary government business initiative designed to build cooperative relationships that strengthen and improve overall international supply chain and U.S. border security. Through this initiative, U/S/ Customs and Border Protection (CBP) is asking business to ensure the integrity of their security practices and communicate and verify the security guidelines of their business partners within the supply chain.

As a certified and validated member of C-TPAT, JSI Logistics must assess the security practices of our customers and service providers. This Supply Chain Security Questionnaire serves as a tool for that assessment.

Please complete the attached questionnaire to the best of your ability (electronically or in hard copy and return it within ten days of receipt to:

Yvonne Fazzino
JSI Logistics
1535-B Rollins Road
Burlingame, CA 94010
Phone Number: 650-697-3963 x1458
Fax Number: 650-697-3831
YFazzino@jsilogistics.com

NOTE: If your company has already received C-TPAT certification, completion of only the first page of the questionnaire is necessary.

Thank you in advance for your time and cooperation.
