From the fastest international or domestic next flight out service to our regularly scheduled global consolidations, you can rely on JSI for your air freight needs throughout the world. Whether your shipment requires door-to-airport, airport-to-airport or complete door-to-door services, JSI can handle it. As a long time International Air Transport Association (IATA) air cargo agent, JSI is able to utilize virtually any carrier throughout the world. This flexibility allows JSI to provide complete customization of our air freight services to fit your schedule. Our global team members are experts in selecting optimal routes to streamline your supply chain operation while keeping costs in line with expectations. We constantly monitor carrier flight routings, weather, and other factors to optimize our customers' transit schedules and ensure each shipment reaches its destination as planned and on time.
