Ground transportation is unmatched when it comes to cost efficiency, and with JSI's dedicated team, you can rest assured your cargo will arrive when scheduled in mint condition. As an experienced forwarder in utilizing both our own fleet of ground transportation vehicles, as well as those of our global network of partners, JSI offers a comprehensive solution of ground freight services. JSI's integrated suite of ground freight services is tailored to each customer's needs ranging from next day delivery for time critical shipments to cost effective 3-5 day transportation.

JSI recognizes that our customers have unique shipping requirements and we are dedicated to providing services to encompass all of your transportation needs. As one of the leading privately owned logistics and supply chain management service providers, JSI focuses on providing reliable, innovative, and time sensitive solutions for our customers. With a direct global presence and thousands of team members throughout the world, JSI strives to provide top tier performance with unprecedented operational excellence.
