

EMPOWERING Success

Tradeshow & Event **Logistics**

For more info, visit our website:
www.jsilogistics.com

From time critical transportation of your tradeshow & special event equipment to storing your booth and supplies after the exhibition, JSI provides customized solutions that ensure your event is a success. Our tradeshow & event logistics services include specialized freight services to transport your show and event materials, comprehensive warehousing before and after, and so much more. When your company invests in attending or sponsoring these exhibitions and events, you can trust JSI to manage the logistics to ensure complete success.

We offer a number of freight solutions that can best serve your logistics needs, whether those needs involve speed, special handling, or meeting budgetary requirements. Our warehousing and storage services can be tailored for our tradeshow and event logistics customers. Whether you require short term storage space, advanced staging, or climate controlled environments for your sensitive materials, we can take care of it.
